EXPERIENCE

Netdevz ♦ Business Analyst and Web Developer ♦ 7/31/2016 to present

Netdevz is a company I started with the intention of providing a wide variety of technology, eCommerce and online marketing services such as website, web application and mobile application development services, online and social media marketing services, Microsoft Access solutions and much more to small businesses or those who want to launch their first eCommerce site. **Contact at: (831)-884-6796 or <https://www.netdevz.com>**

Baytech Web Design ♦ Project Manager Team Lead ♦ 10/23/2016 to 8/24/2018

Worked here as project manager overseeing web development and SEO projects making sure they are on schedule. Duties include scheduling project timeline and tasks using the company project management software as well as communicating with both internal and external (overseas) team members to make sure a project is moving along quickly to completion according to the timeline and tasks that where set out. **Contact Maxine or Howard at: (866)-913-9327 or <https://www.baytechwebdesign.com>**

LatinoTaxPro ♦ IT and Education Support ♦ 6/27/2016 to 1/13/2017

My work consisted of fulfilling IT functions such as updating their website on the back end using primarily HTML but some JavaScript as well for Infusionsoft integration along with use of Google Adwords and Facebook marketing to drive traffic. I also developed their new mobile application for iOS and Android. In addition to this I worked in the education department doing quality control for their online education material. **Contact Carlos Lopez at: (866)-936-2587 or <https://www.latinotaxpro.org>**

Blueprint Political Consulting ♦ Business Analyst ♦ 2016 to 2017

I worked here during election seasons helping with consulting work, elections and other tasks. My job duties entail emailing and calling voters, canvassing and Microsoft Excel data entry. **Contact Sarab Sarabi at: (831)-917-7230 or <http://blueprintpoliticalconsulting.com>**
